**SUPPLEMENTARY INFORMATION:** Notice is here given in accordance with the Native

American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the correction of an inventory of human remains and associated funerary objects under the control of the Museum of Us, San Diego, CA. The human remains and associated funerary objects were removed from San Diego, San Diego County, CA.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

This notice corrects the cultural affiliation published in a Notice of Inventory Completion in the *Federal Register* (83 FR 39124-39126, August 8, 2018). Within 30 days of publication of the notice, the Pechanga Band of Indians (*previously* listed as Pechanga Band of Luiseno Indians of the Pechanga Reservation, California) submitted a request for repatriation of the human remains of the four individuals and the 233 associated funerary objects listed in the notice, which had been removed from six San Diego County archeological sites within the vicinity of Agua Hedionda (CA-SDI-8797, CA-SDI-10671, CA-SDI-6132, CA-10673 (W-116, W-118, W-119, and W-129); CA-SDI-6134 (W-121); and SDM-W-124. Based on oral traditional, geographical, biological, and anthropological information, the Museum of Us has determined that the Pechanga Band of Indians (*previously* listed as Pechanga Band of Luiseno Indians of the Pechanga Reservation, California) are culturally affiliated with these human remains and associated funerary objects. Transfer of control of the items in this correction notice has not occurred.
